<b><u>TITLE</u></b>	<b><u>DESCRIPTION</u></b>	<b><u>AUTHOR</u></b>	<b><u>CALL NUMBER</u></b>
Above the Flood: Elevating Your Floodprone House	Describes the options and techniques available to homeowners in floodprone areas, using guidelines developed by FEMA after Hurricane Andrew in 1992.	FEMA	351.82329 ABO
Announcing Better Flood Protection	Advocates flood insurance, especially after winter storms.		Pamphlet File: Flood Protection
Answers to Questions About the National Flood Insurance Program	A handbook to introduce the National Flood Insurance Program, with information including the Flood Insurance Reform Act of 2004, thus updating the previous edition of the handbook.	FEMA	351.82329 ANS
Answers to Questions About Substantially Damaged Buildings	Deals with NFIP regulations for substantially damaged structures. Used by local community officials.		Ref 351.8239 ANS
Are You Ready? Your Guide to Disaster Preparedness	Steps individuals can take when dealing with disasters and emergencies.	FEMA	363.34 ARE
Coastal Construction Manual: Principles and Practices of Planning, Siting, Designing, Constructing, and Maintaining Buildings in Coastal Areas	A 3-volume looseleaf guide providing recommendations for minimizing the potential of damage to buildings already constructed in potentially vulnerable areas.	FEMA 55, Ed. 3/August 2005	351.82329 COM (Also in Ref.)

**BIBLIOGRAPHY OF FLOOD-RELATED MATERIALS  
SOUTH HOLLAND PUBLIC LIBRARY**

**These items have been entered into the Library's card catalog. We will maintain adequate numbers of these documents in the Library, and we will keep them up to date as they are revised and reprinted.**

Comprehensive Flood Control Study (Draft)	A 3-volume study offering alternative solutions to the flooding problem. Volume 1 is the study, Vol. 2 is the Dolton-South Holland Flood Study Appendix 1; 91-53: Benefit/Cost Analysis, and Vol. 3 is the Dolton-South Holland Flood Study Appendix 2; 91-53 WSP2 Hydraulic Models.	Robinson Engineering, LTD.	351.82329 COM (Also in Ref.)
Design Guidelines for Flood Damage Reduction	Works to decrease losses from flood damage through the design process. Deals with improved building, site design, and floodplain management.		351.82329 DES (Also in Ref.)
Design Manual for Retrofitting Flood-prone Residential Structures	Presents options for reducing or preventing flood damage.		351.82329 DES (Also in Ref.) (Also in Pamphlet File: Flood Protection)
Elevated Residential Structures	Instructions provided for building elevated residential structures in flood-prone areas.		351.82329 ELE (Also in Ref.)
Engineering Principles and Practices for Retrofitting Flood-Prone Residential Structures	A loose-leaf manual designed to assist engineers, architects, and local code officials with feasible and cost-effective measures for retrofitting flood-prone residential structures.	FEMA 259, Ed. 2/June 2001	351.82329 ENG
Executive Summary: Comprehensive Flood Control Study: Little Calumet River and Tributaries: Village of South Holland and Village of Dolton: 91-53	A summary of the comprehensive flood study and the three alternatives available to the Villages of Dolton and South Holland to minimize the overbank flooding problems.	Robinson Engineering, LTD.	Reference Desk

Floodproofing Non-Residential Structures	Contains techniques for reducing flood damage to non-residential structures. Primarily for local officials, building owners, designers, and contractors.		351.82329 FLO
Floodway – Flood Boundary and Floodway Maps	Includes a map index and four panels showing floodways and flood boundaries in the Village of South Holland, effective date: August 1980.		Reference Desk
Guide to Flood Insurance Rate Maps	Guide to understanding the flood insurance rate maps.		Reference Desk
Guide to Flood Maps: How to Use a Flood Map to Determine Flood Risk for a Property	Essentially an oversize pamphlet explaining what kinds of information can be found on a flood map and how to read it.	FEMA/ March 2006	351.82329 GUI
Guide to Flood Protection in South Holland, Illinois	A 1996 guide to assist residents in protecting their property from surface water flood damage. (Awaiting 2007 update.)	French & Associates, Ltd., and the South Holland Public Relations Dept.	Pamphlet File: Flood Protection
Guide to Protection from Basement Flooding in South Holland	A 1996 guide to assist residents in protecting basements from the types of water problems associated with the types of flooding in South Holland. (Awaiting 2007 update.)	French & Associates, Ltd., and the South Holland Public Relations Dept.	Pamphlet File: Flood Protection
Homeowner Floodproofing Behavior	Details a 1987 homeowner survey regarding floodproofing measures and their effectiveness.	Laska, Shirley	351.82329 LAS

**BIBLIOGRAPHY OF FLOOD-RELATED MATERIALS  
SOUTH HOLLAND PUBLIC LIBRARY**

**These items have been entered into the Library's card catalog. We will maintain adequate numbers of these documents in the Library, and we will keep them up to date as they are revised and reprinted.**

Homeowner Floodproofing Behavior II: Educational Interventions and other Influential Factors	A follow-up survey on actions taken by homeowners to floodproof their properties. Includes demographics and economic information on the flood victims.	Laska, Shirley	351.82329 LAS
Homeowner's Guide To Retrofitting: Six Ways to Protect Your House From Flooding	Essentially, a guide for protecting one's home from flood damage for dummies. It assumes little or no knowledge on the part of homeowners regarding construction methods and techniques for retrofitting.	FEMA 312/June 1998	351.82329 HOM
If You're Flooded Out, you Don't Have to be Wiped Out	The history of the National Flood Insurance Program, those eligible for purchasing a policy, and how a policy is purchased.		Pamphlet File: Flood Protection
In the Calm Before the Storm	Small poster advocating flood insurance.		Pamphlet File: Flood Protection
In the Event of a Flood: Tips to Minimize Loss of Life and Property	Guidelines for preparing for a flood, keeping safe during a flood, and coping with the aftermath.		Pamphlet File: Flood Protection
Introduction to Flood Proofing: An Outline of Principles and Methods	A report of essential principles involved in structural flood proofing.	Sheaffer, John R.	351.82329 SHE (Also in Ref.)
Is There a Leak in Your Protection?	A bookmark-sized reminder to purchase flood insurance.		Pamphlet File: Flood Protection

**BIBLIOGRAPHY OF FLOOD-RELATED MATERIALS  
SOUTH HOLLAND PUBLIC LIBRARY**

**These items have been entered into the Library's card catalog. We will maintain adequate numbers of these documents in the Library, and we will keep them up to date as they are revised and reprinted.**

Little Calumet River Watershed Illinois: Watershed Plan and Environmental Impact Statement	Measures for dealing with floodwater management and watershed protection. Also sets forth specific objectives for conservation, protection, stabilization, and recreation for the Little Calumet Watershed.		Ref. 351.82329 LIT
Mandatory Purchase of Flood Insurance Guidelines	Updated and reformatted guidelines, previously published in 1989 and 1997 regarding the purchase, regulation, and administration of the National Flood Insurance Program.	FEMA (1999, reprinted September 2005)	351.82329 MAN
Manufactured Home Installation in Flood Hazard Areas	Provides technical guidance on reducing risk of flood damage to manufactured homes.		351.82329 MAN (Also in Ref.)
National Flood Insurance Program Local Assistance Series 2A	A summary of reasons for, and rules of, the NFIP, with emphasis on the State of Illinois		Pamphlet File: Flood Protection
Never Say Never	Pamphlet describing dangers of floods, and advocating flood insurance through the National Flood Insurance Program.		Pamphlet File: Flood Protection
Our Community and Flooding: A Report on the Status of Floodwater management in the Chicago Metropolitan Area	Discusses what has been done to eliminate the problem of flooding in the Chicago metro area, and what remains to be done.		Ref. 351.82329 OUR

**BIBLIOGRAPHY OF FLOOD-RELATED MATERIALS  
SOUTH HOLLAND PUBLIC LIBRARY**

**These items have been entered into the Library's card catalog. We will maintain adequate numbers of these documents in the Library, and we will keep them up to date as they are revised and reprinted.**

Planning for a Sustainable Future: The Link Between Hazard Mitigation and Liveability	Encourages a proactive approach to planning ahead for a disaster and the steps a community can take to minimize a disaster's effects.	FEMA (2006)	363.3456 PLA
Protecting Building Utilities From Flood Damage: Principles and Practices for the Design and Construction of Flood Resistant Building Utility Systems	Recognizing the vulnerability of building utility systems, this book aims to aid in the design and construction of utility systems that will allow buildings to be re-occupied as soon as possible after a disaster, once utilities are restored.	FEMA (1999)	351.82329 PRO
Protecting Floodplain Resources	An explanation of natural floodplains, and how their effective management can minimize the risk to life and property and can preserve existing ecosystems.	Smardon, Dr. Richard	Ref. 351.82329 SMA
Reducing Damage from Localized Flooding: A Guide for Communities	For local officials to plan for and deal with the effects of flooding lesser in scope or cause from larger disasters.	FEMA (2005)	351.82329 RED
Reducing Losses in High Risk Flood Hazard Areas: A Guidebook for Local Officials	Provides guidance to local officials in reducing loss in high risk flood areas. Community opinions, examples of local/state measures, and possible ordinance language are included.		351.82329 RED
Repairing Your Flooded Home	How to clean up and recover after a flood, and minimize future flood damage.		643.7 REP (Also in Pamphlet File: Flood Recovery)

**BIBLIOGRAPHY OF FLOOD-RELATED MATERIALS  
SOUTH HOLLAND PUBLIC LIBRARY**

**These items have been entered into the Library's card catalog. We will maintain adequate numbers of these documents in the Library, and we will keep them up to date as they are revised and reprinted.**

Retrofitting Flood-Prone Residential Structures	Briefly explains the process of "retrofitting." This is expanded in the handbook <u>Design Manual for Retrofitting Floodprone Residential Structures.</u>		Pamphlet File: Flood Protection
Risks and Hazards: A State by State Guide	Contains national and state maps illustrating common hazards, both natural and man-made. Includes information on protecting oneself from these hazards also.		Ref. 363.34 RIS
Stormwater Design Manual: Infiltrator Chambers	Explanation of options available from Infiltrator Systems, Inc., for designing systems in flood-prone residential areas.	Infiltrator Systems, Inc.	Ref. 351.82329 STO (Also in Pamphlet File: Flood Protection)
Tips on Handling Your Flood Insurance Claim After a Major Disaster	Explains the National Flood Insurance program and its provisions. Also assists in filing and managing a claim.		Pamphlet File: Flood Recovery

Updated June 2007
