Click 'Print' to submit the print job to the print queue.

Your document will upload securely, and you will be taken to the next screen.

When the job has finished uploading and processing, you will see the confirmation page:

The screenshot shows a web interface for PrintSpots Mobile Printing Service. The left panel, titled 'PrintSpots Mobile Printing Service', features a blue header and a white main area. A blue banner at the top of the main area reads 'Your document has been accepted for processing'. Below this, text instructs the user to check the Tracking Center and click 'Print' to send the document. Three numbered options are listed: '1 Print another document' (with a printer icon), '2 Choose another printer' (with a printer icon), and 'Search for another PrintSpot' (with a magnifying glass icon). A note at the bottom of the panel suggests clearing settings on shared computers. The right panel, titled 'Tracking Center', has a green header with 'www.google.com' and displays job details: 'Reference #: 11780305', '1 page (Cost: \$ 0.10)', and 'Your document has been sent to the printer.' A large red message states: 'Print job is in the print queue. Use the Login ID you entered to print your document at the Print Station at the Library.' The footer contains the PrinterOn logo, navigation icons (home, search, help), and copyright information.

- 1** Click 'Print another document' to print another document using the same printer.
- 2** Click 'Choose another printer' to print another document using a different printer.

You are now finished!

At the Library, enter your Login ID at the Print Station to print your document.

You can exit by closing the browser window.
